Dear Parent & Guardian,

This year Passaic Valley is offering an eight-session preparation course for the SAT through Passaic Valley Regional High School Education Foundation (PVRHSEF). **Classes begin Tuesday, March 7th 5:30 PM -9:30 PM, in preparation for the May 6th SAT exam.** This is an effort to help your child raise his/her SAT score. The first administration of the **New SAT** was March, 2016. There are two options when registering for the SAT. Students can opt to take the SAT with or without the essay. The Passaic Valley administration is encouraging students to register with the essay option, since many colleges and universities are going to require that option. The SAT including the essay will be 3 hours and 50 minutes in length. A student can achieve a maximum of 1600 points.

There will be two practice tests. Each class is divided equally into verbal and math preparation. Student must attend each of the eight classes, complete the required homework, which amounts to an average of 2 ½ hours of home study per week, and be attentive in class to see maximum results in raising scores. Your reduced rate for this program is **\$350**, including books and materials.

We hope that you will take advantage of this program given at Passaic Valley High School. To register your son or daughter you will have to send in the registration form on the next page to Mrs. Perosi in Guidance with a check or money order made payable to: **PVRHSEF**. Deadline for registration is Friday, February 10, 2017.

Classes are every Tuesday night from March 7th through May 2nd. Please note the different time for the classes.
