Dear Passaic Valley School Community,

School is back in session and I am happy to report that we had a smooth and successful reopening. This week we will utilize an “E Day” schedule which means students will attend every period each day. This is our second year with the rotating drop schedule and below are some important reminders:

- The school day begins at 8:00am and ends at 2:35pm.
- There is no homeroom period. Students must be seated in their first block class by 8am or they are considered tardy for the day.
- Juniors and Seniors may leave campus during their lunch and/or Flex period.
- On days when Juniors and Seniors have their Flex period during block 1, they do not need to report to school until the start of block 2. Students with a Flex period block 1 must scan in by the end of the block so they are marked present for the day.
- All students eat during the common lunch block. Freshmen have lunch in the Gris Gym and all other students eat in the cafeteria.
- You can find the daily rotation and bell schedules by [clicking here](#). The student handbook can be accessed by [clicking here](#).

Administration will meet with each grade level on Thursday, September 5. The Freshman class will meet during the first block, Sophomores will meet during the second block, Juniors will meet during the third block and our Seniors will meet during the fourth block.

If I can be of any assistance, please do not hesitate to contact me. I hope you have a wonderful first week back and I look forward to a rewarding school year.

Educationally yours,

Dr. Bracken Healy
Superintendent
