Mr. D’Ambrosio stated he asked Mr. Monahan if there was anything that could be done to put information on PVTV. He stated Mr. Monahan responded there is no one at this time that can complete the process of placing information on PVTV.

Mr. Damiano stated that the Board spoke about this previously and decided not to continue to put community information on PVTV.

Dr. Healy explained the process to prepare the information and the timeframe it takes to complete. Mr. D’Ambrosio reiterated that these are community events and the community sends their children to the school district.

Dr. Healy stated no one has spoken to him about this issue, PVTV Channel 77.
